How to Use This Directory

CenCal Health has two provider directories: One for residents of Santa Barbara County and one for residents of San Luis Obispo County. You may request that either or both provider directories be sent to you. To view these directories online, go to http://www.cencalhealth.org/providerdirectory

This directory is a list of health care providers in your county who are available to you as a CenCal Health member. This list is subject to change, and we will tell you if the doctor you choose is no longer available. **All members should pick a doctor or clinic that will be their main doctor, called a Primary Care Provider (PCP).** You will find these doctors and clinics listed in the first section of the directory. Each member in your household can have a different PCP.

How to pick a PCP (Key to abbreviations used in this book)

- Choose a doctor or clinic in the area where you live. This makes it easier for you and your family to get care when you need it. If you have been getting care from a doctor, specialist, or a hospital, you may have the right to keep your provider for a period of time if you have certain medical conditions. Please see your Member Handbook for more information or call Member Services.

- "ANP Santa Barbara: Yes" means this PCP is "accepting new patients" who live in Santa Barbara County. You will also find the age range that this PCP is accepting. This is also important when choosing a PCP for your children. Some doctors and clinics see all ages, some just children and some just adults.

- "ANP San Luis Obispo: Yes" means this PCP is accepting new patients who live in San Luis Obispo County. You will also find the age range that this PCP is accepting. This is also important when choosing a PCP for your children. Some doctors and clinics see all ages, some just children and some just adults.

- "ANP Santa Barbara: No" means the PCP is not accepting new patients. In most cases, you need to have been a patient of this doctor within the last year in order to select them as your PCP. Call Member Services for approval or for more information at the phone number listed below.

- "ANP San Luis Obispo: No" means the PCP is not accepting new patients. In most cases, you need to have been a patient of this doctor within the last year in order to select them as your PCP. Call Member Services for approval or for more information at the phone number listed below.

- "Staff Language" - This gives the other language(s) spoken at that office or clinic. If you speak a language other than English, look for a doctor or clinic that can speak your language. Interpreter services are also available upon request by calling the number listed below.

- "CCS:" Lists whether the provider is credentialed to see members who are identified as being part of California Children's Services (CCS).

- "Lang:" This gives the language(s) that the doctor speaks other than English.

- "Cert" lists any Board Certifications that the doctor has.

- "CC" indicates whether the doctor has had cultural competence training.
- "Hosp Affil" indicates the doctor's hospital affiliations.

Specialty Providers

These are providers that you may use in addition to your PCP with a referral from your PCP. However, you cannot choose these providers as your PCP. Some specialty providers do not require a referral from your PCP first. These include acupuncturists, chiropractors, family planning providers, and gynecologists/obstetricians for well-women exams. Hospitals are also listed in here. Contracted specialists in both counties are available.

If you are pregnant, you will still need to choose a PCP. Your Obstetrician is not a PCP. A doctor or clinic specializing in Obstetrics and Prenatal Care will only treat you during your pregnancy; for all your other medical care you will need to see your PCP. Obstetrics are listed under Specialty Providers.

Mental health and Behavioral Health Treatment - Applied Behavioral Analysis (ABA) services

A comprehensive list of mental health and ABA providers can be found in this directory. Members may select and contact a mental health provider for counseling or medication management services, or call us at 1-877-814-1861 for help picking a provider. ABA services require a pre-authorization from CenCal Health. Please discuss with your child's pediatrician whether ABA may be a medically necessary service. Some PCP clinics offer mental health services within the clinic's network. Talk to your PCP to find out if these services are available.

Enhanced Care Management (ECM)

Enhanced Care Management (ECM) is a new benefit for CenCal Health Members with complex needs. ECM provides extra services to help you get the care you need to stay healthy and at no cost to you. It coordinates the care you get from different doctors.

When you/your child needs a check-up (when not sick)
Call your/your child's PCP to make an appointment. Ask the office what preventive care is needed. If you need a ride to the appointment, call Member Services Department, Monday through Friday, 8 a.m. to 5 p.m., at 1-877-814-1861 [CA Relay 711].

When you/your child is sick

If care is needed urgently and your PCP's office is closed, go to www.cencalhealth.org/afterhours to see a list of providers who provide urgent care after 5 p.m. and on weekends. You can also call our 24-hour Nurse Advice Line toll-free at 1-800-524-5222, seven days a week. Go to the Emergency Room if you feel it is a true emergency, or if your doctor tells you to go to an Emergency Room.

If you need family planning counseling, a pregnancy test or birth control
Call a provider listed under Family Planning Counseling or call your Primary Care Provider. Make an appointment with an Obstetrics provider.

However, you cannot choose these providers as your PCP. Some specialty providers do not require a referral from your PCP first. These include

acupuncturists, chiropractors, family planning providers, and gynecologists/obstetricians for well-women exams. Pharmacies and hospitals are also listed here.

Remember to always carry your CenCal Health ID card with you at all times and show them to the provider each time you receive health care services. Cómo Usar Este Directorio

CenCal Health tiene dos directorios de proveedores: Uno para los residentes del condado de Santa Bárbara y el otro es para los residentes del condado de San Luis Obispo. Usted puede pedir que le envíen uno o ambos

directorios de proveedores. Para ver estos directorios en línea de internet, visite www.cencalhealth.org/providerdirectory.

Este directorio es una lista de proveedores de cuidado de salud en su condado que están disponibles para usted como miembro de CenCal Health. Esta lista está sujeta a cambios y nosotros le informaremos si el médico que eligió ya no está disponible. **Todos los miembros deben elegir un médico o una clínica que será su médico principal, llamado Proveedor de Cuidado Primario (PCP por sus siglas en inglés).** Usted encontrará estos médicos y clínicas en la primera sección del directorio. Cada miembro en su hogar puede tener un PCP diferente.

Cómo elegir un PCP (la abreviación de PCP se usará en este libro)

- Elija un médico o una clínica en el área donde usted vive. De esta manera será más fácil que usted y su familia obtengan atención médica cuando la necesite. Si ha estado recibiendo atención médica de un médico, especialista u hospital, es posible que tenga derecho a continuar con este proveedor por un periodo de tiempo si tiene ciertas condiciones médicas.
