How to Use This Directory

CenCal Health has two provider directories: One for residents of Santa Barbara County and one for residents of San Luis Obispo County. You may request either or both provider directories sent to you. To view these directories online, go to www.cencalhealth.org/providerdirectory.

This directory is a list of health care providers in your county who are available to you as a CenCal Health member. This list is subject to change and we will tell you if the doctor you choose is no longer available. **All members should pick a doctor or clinic that will be their main doctor, called a Primary Care Provider (PCP).** You will find these doctors and clinics listed in the first section of the directory. Each member in your household can have a different PCP.

How to pick a PCP (Key to abbreviations used in this book)

- Choose a doctor or clinic in the area where you live. This makes it easier for you and your family to get care when you need it. If you have been getting care from a doctor, specialist or a hospital, you may have the right to keep your provider for a period of time if you have certain medical conditions. Please see your Member Handbook for more information or call Member Services.
- “ANP Santa Barbara: Yes” means this PCP is “accepting new patients” who live in Santa Barbara County. You will also find the age range that this PCP is accepting. This is also important when choosing a PCP for your children. Some doctors and clinics see all ages, some just children and some just adults.
- “ANP San Luis Obispo: Yes” means this PCP is accepting new patients who live in San Luis Obispo County. You will also find the age range that this PCP is accepting. This is also important when choosing a PCP for your children. Some doctors and clinics see all ages, some just children and some just adults.
- “ANP Santa Barbara: No” means the PCP is not accepting new patients. In most cases, you need to have been a patient of this doctor within the last year in order to select them as your PCP. Call Member Services for approval or for more information at the phone number listed below.
- “ANP San Luis Obispo: No” means the PCP is not accepting new patients. In most cases, you need to have been a patient of this doctor within the last year in order to select them as your PCP. Call Member Services for approval or for more information at the phone number listed below.
- “Staff Language” - This gives the other language(s) spoken at that office or clinic. If you speak a language other than English, look for a doctor or clinic that can speak your language. Interpreter services are also available upon request by calling the number listed below.
- “Lang:” This gives the language(s) that the doctor speaks other than English.
- “Cert” lists any Board Certifications that the doctor has.
- “CC” indicates whether the doctor has had cultural competence training.
- “Hosp Affil” indicates the doctor’s hospital affiliations.

Specialty Providers

These are providers that you may use in addition to your PCP with a referral from your PCP. However, you cannot choose these providers as your PCP. Some specialty providers do not require a referral from your PCP first. These include acupuncturists, chiropractors, family planning providers, and gynecologists/obstetricians for well-women exams. Pharmacies and hospitals are also listed in here. Contracted specialists in both counties are available.

If you are pregnant, you will still need to choose a PCP. Your Obstetrician is not a PCP. A doctor or clinic specializing in Obstetrics and Prenatal Care will only treat you during your pregnancy; for all your other medical care you will need to see your PCP. Obstetrics are listed under Specialty Providers.

Behavioral & Mental Health Providers

CenCal Health partners with The Holman Group for mild to moderate Behavioral Health and Mental Health Services. The Holman Group is dedicated to providing the most appropriate and intensive treatment, in the least restrictive setting. A comprehensive list of behavioral and mental health providers can be found here. **Members may select and contact a mental health provider or call the Holman Group at (800) 321-2843 for help picking a provider.** Some behavioral health services may require a pre-authorization from The Holman Group.

Some PCP clinics offer behavioral mental health services within the clinic's network. Talk to your PCP to find out if these services are available.

Information for Seniors and Persons with Disabilities

This directory has information about CenCal Health providers that will help meet your needs regarding location, specialty, physical access, and language. Each provider listing will indicate what type of access the doctor's office or facility site has, which includes the following:

Access Levels

Basic Access: Doctor's office or facility site has access for members with disabilities for parking, building, elevator, doctor's office, exam room and restroom (P, EB, IB, R, E and T).

Limited Access: Doctor's office or facility site has some access for members with disabilities, but is missing one or more of the following; parking, building, elevator, doctor's office, exam room and restroom (P, EB, IB, R, E and T).

Accessibility Codes: The following symbols are used in our provider directory if the providers' office has special access for persons with disabilities.

P	Parking	EB	Exterior Building	IB	Interior Building
R	Restroom	E	Exam Room	T	Exam Table / Scale

P = Parking

Accessible parking spaces, including van accessible spaces are present. Pathways have curb ramps between the parking lot, office, and at drop off areas.

EB = Exterior Building

Curb ramps and other ramps to the building are not too long. Ramps are wide enough for a wheelchair or scooter. Handrails are on both sides of the ramp. There is an "accessible" entrance to the building. Doors open wide enough for a wheelchair or scooter, and have handles that are easy to use.

IB = Interior Building

Pathways are wide enough for a wheelchair or scooter. Stairs, if present, have handrails. If there is an elevator, it can be used at all times the building is open. The elevator has easy to hear sounds and Braille buttons within reach. The elevator has enough room for a wheelchair or scooter to turn around. If there is a platform lift, it can be used without help.

R = Restroom

The restroom doors are wide enough for a wheelchair or scooter. The restroom has enough room for a wheelchair or scooter to turn around and close the door. There are grab bars which allow easy transfer from wheelchair to toilet. The sink is easy to get to and the faucets, soap, and toilet paper are easy to reach and use.

E = Exam Room

The doors to the exam rooms open wide enough for a wheelchair or scooter. The exam room has enough room for a wheelchair or scooter to turn around.

T = Exam Table/Scale

The exam table moves up and down and has space next to it for a wheelchair or scooter. The weight scale can be used by patients with wheelchairs or scooters.

Cómo Usar Este Directorio

CenCal Health tiene dos directorios que listan a los proveedores de cuidado de salud: Uno es para los residentes del condado de Santa Bárbara y el otro es para los residentes del condado de San Luis Obispo. Usted puede pedir que le envíen uno o los dos directorios. Para ver los directorios por línea de internet, visite www.cencalhealth.org/providerdirectory.

Este directorio es una lista de proveedores de cuidado de salud en su condado que están disponibles para usted como miembro de CenCal Health. La lista es sujeta a cambios y nosotros le notificaremos si el médico que usted eligió ya no está disponible. **Todo miembro debe seleccionar un médico o clínica médica que será su médico principal o un Proveedor de Cuidado Primario (PCP por sus siglas en inglés).** Usted encontrará estos médicos y clínicas en la primera sección de este directorio. Cada miembro en su hogar puede tener un PCP diferente.

Cómo elegir un PCP (la abreviación de PCP se usará en este libro)

- Elija un médico o clínica cerca del área donde usted vive. De esta manera será más fácil que usted y su familia obtengan cuidado médico cuando lo necesiten. Si ya está recibiendo atención médica por medio de un médico, especialista, o un hospital, tal vez tenga el derecho de continuar con ese proveedor por un término definido si tiene ciertas condiciones médicas. Por favor refiérase a su Manual para Miembros para obtener más información o llame a Servicios para Miembros.
- Las palabras “ANP Santa Barbara: Yes” significan que el PCP está aceptando pacientes nuevos que viven en el condado de Santa Bárbara. Además, encontrará las edades que este PCP está aceptando. Esto también es muy importante cuando elija a un PCP para sus hijos. Algunos médicos o clínicas aceptan miembros de todas edades, pero otros solamente aceptan niños y otros solamente adultos.
- Las palabras “ANP San Luis Obispo: Yes” significan que el PCP está aceptando pacientes nuevos que viven en el condado de San Luis Obispo. Además, encontrará las edades que este PCP está aceptando. Esto también es muy importante cuando elija a un PCP para sus hijos. Algunos médicos o clínicas aceptan miembros de todas edades, pero otros solamente aceptan niños y otros solamente adultos.
- Las palabras “ANP Santa Barbara: No” significan que el PCP no está aceptando pacientes nuevos. En la mayoría de los casos, para poder seleccionar a este médico como su PCP, necesita haber sido un paciente de este médico durante el último año. Llame al número de teléfono que se indica a continuación para hablar con Servicios para Miembros para pedir una aprobación u obtener más información.
- Las palabras “ANP San Luis Obispo: No” significan que el PCP no está aceptando pacientes nuevos. En la mayoría de los casos, para poder seleccionar a este médico como su PCP, necesita haber sido un paciente de este médico durante el último año. Llame al número de teléfono que se indica a continuación para hablar con Servicios para Miembros para pedir una aprobación u obtener más información.
- “El idioma que habla el personal” - Esto indica el idioma(s) que hablan en la oficina o clínica. Si su idioma principal no es inglés, busque un médico o clínica que hable su idioma. También están disponibles servicios de intérprete, los puede pedir llamando al número mencionado abajo.
- “Leng:” – indica el idioma(s) que habla el médico aparte de inglés.
- “Cert” – indica cualquier certificación del comité de proveedores que tiene el médico.
- “CC” – indica si el médico ha recibido entrenamiento en competencias culturales.
- “Afil Del Hosp” – indica hospital(es) donde está afiliado el médico.

Proveedores por Especialidad

Estos son los proveedores de salud con quien usted puede acudir, aparte de su PCP, con un pase de su PCP. Sin embargo, usted no puede elegir a estos proveedores como su PCP. No necesita obtener un pase de su PCP para ciertos especialistas. Estos incluyen acupuntura, quiroprácticos, planificación familiar y ginecología/obstétricos para exámenes de bienestar de la mujer. Farmacias y hospitales también están anotados aquí. Especialistas contratados en ambos condados están disponibles.

Si usted está embarazada, usted tendrá que seleccionar un PCP. Su Obstétrico no es un PCP. Un médico o clínica que se especialice en obstetricia y cuidado prenatal únicamente puede tratarla durante su embarazo; para todo otro cuidado médico usted tendrá que acudir a su PCP. Los obstétricos están anotados bajo Proveedores por Especialidad.

Proveedores de Salud Mental y del Comportamiento

CenCal Health se asocia con The Holman Group (El Grupo Holman) para proveer servicios leves a moderados de salud conductual y salud mental. El Grupo Holman se dedica a proporcionar el tratamiento más apropiado e intensivo, en el ambiente menos restrictivo. Aquí, puede encontrar una lista completa de proveedores de salud mental y del comportamiento. **Los miembros pueden seleccionar y comunicarse con un proveedor o llamar directamente al Grupo Holman al 1-800-321-2843 para obtener ayuda seleccionando un proveedor.** Algunos servicios conductuales pueden requerir una autorización previa del Grupo Holman.

Algunas clínicas de PCP ofrecen servicios de salud mental y conductual dentro de la red de la clínica. Hable con su PCP para averiguar si estos servicios están disponibles.

Cada proveedor anotado en la lista, indicará que tipo de acceso tiene la oficina del médico o el establecimiento, tal como lo siguiente:

Niveles de Acceso

Acceso básico: Significa que la oficina del médico o el establecimiento tiene acceso para los miembros con incapacidades en su estacionamiento, edificio, elevador, consultorio, sala de examen, y baño (P,EB,IB,R,E y T).

Acceso limitado: La oficina del médico o el establecimiento tiene acceso para los miembros con incapacidades, pero no tiene uno o más de lo siguiente: estacionamiento, acceso al edificio, elevador, consultorio, sala de examen y baño (P, EB, IB, R, E y T).

Códigos de accesibilidad: Los siguientes símbolos se utilizan si la oficina del proveedor tiene acceso especial para personas con incapacidades:

P	Estacionamiento	EB	Exterior del edificio	IB	Interior del edificio
R	Baños públicos	E	Sala de examen	T	Camilla de examen / Báscula

P = Estacionamiento

Hay estacionamientos y espacios accesibles para camionetas grandes. Las entradas (vías) tienen rampas de borde dentro de la zona del estacionamiento, oficina, y el área para dejar a las personas.

EB = Exterior del edificio

Las rampas de borde y otras rampas hacia el edificio no son demasiado largas. Las rampas están bastante anchas para permitir el acceso de una silla de ruedas o silla eléctrica (scooter). Hay un barandal (pasamanos) a los dos lados de la rampa. El edificio tiene una entrada accesible. La abertura de la puerta es suficientemente ancha para permitir el acceso a una silla de ruedas o una silla eléctrica, y tienen agarraderas fáciles de usar.

IB = Interior del edificio

Los pasillos son lo suficientemente anchos para permitir el acceso a una silla de ruedas o una silla eléctrica. Las escaleras, si las hay, tienen pasamanos. Si hay un elevador, puede usarse en todo momento cuando el edificio esté abierto. El elevador tiene sonidos fáciles de oír y botones Braille fáciles de alcanzar. El elevador tiene espacio suficiente para que se dé vuelta una persona en silla de ruedas o silla eléctrica. Si hay ascensor con plataforma, se puede usar sin ayuda.

R = Baños

Las puertas del baño público son lo suficientemente anchas para permitir el acceso a una silla de ruedas o silla eléctrica. El baño público tiene suficiente espacio para que la silla de ruedas o silla eléctrica pueda dar la vuelta, y la persona pueda cerrar la puerta. Hay pasamanos que le permiten fácilmente transferirse de la silla de ruedas al asiento del baño. Es fácil llegar al lavamanos, las llaves del baño, jabón, papel higiénico, y son fáciles de alcanzar y usar.

E = Sala de examen

Las puertas de los cuartos de exámenes son lo suficientemente anchas para la silla de ruedas o silla eléctrica. La sala de examen tiene bastante espacio para que una persona en silla de ruedas o silla eléctrica se pueda dar la vuelta.

T = Camilla de examen/Báscula

La camilla de examen se mueve hacia arriba y hacia abajo y tiene bastante espacio para poder poner una silla de ruedas o silla eléctrica al lado. Los pacientes con silla de ruedas o silla eléctrica pueden usar la báscula.

Los Representantes de Servicios para Miembros de CenCal Health están aquí para ayudarle con cualquier pregunta o inquietud que usted pueda tener acerca de sus beneficios de Medi-Cal. Si necesita ayuda obteniendo cuidado médico o tiene preguntas acerca de la oficina del proveedor y su accesibilidad, por favor llame a la oficina de su médico. El Departamento de Servicios para Miembros está disponible de lunes a viernes de 8 a.m. a 5 p.m.; usted se puede comunicar con nosotros al número 1-877-814-1861 [con el servicio de retransmisión de California al 711].

¿A quién llamar?

Si usted está experimentando una emergencia médica, por favor llame al 911 o acuda a la sala de emergencias más cercana. Una emergencia es un hueso quebrado, dificultad para respirar o para orinar, pérdida del conocimiento (desmayo) u otras condiciones que podrían conducir a la muerte o discapacidad.

Cuando usted o su niño necesita un chequeo (cuando no está enfermo)

Llame a su PCP o al PCP de su niño para hacer una cita. Pregunte a la oficina qué atención preventiva se necesita. Si necesita transportación a la cita, llame a Servicios para Miembros al 1-877-814-1861 [con el servicio de retransmisión de California al 711].

Cuando usted o su niño esté enfermo

Llame a su PCP o al PCP de su niño. Si la oficina de su médico está cerrada, habrá servicio telefónico las 24 horas y un médico le regresará su llamada. Si se requiere cuidado médico urgente y la oficina de su PCP está cerrada, visite www.cencalhealth.org/afterhours para ver una lista de proveedores que proveen cuidado urgente después de las 5 p.m. y durante los fines de semana. También puede llamar a nuestra Línea de Ayuda de Enfermería al número libre de cobre, (800) 524-5222, las 24 horas al día, siete días a la semana. Vaya a la sala de emergencia de un hospital si usted cree que tiene una verdadera emergencia, o si su médico le dice que vaya a la sala de emergencia.

Si usted está embarazada

Haga una cita con un proveedor obstétrico. Es importante que vea al médico lo más pronto posible al comenzar su embarazo. Usted también podrá obtener servicios adicionales bajo el programa Comprensivo de Servicios Perinatales y recibirá asesoramiento y educación sobre la nutrición.

Si necesita una prueba de embarazo, métodos anticonceptivos, o asesoramiento de planificación familiar

Llame a un proveedor anotado bajo Planificación Familiar y Asesoramiento o llame a su Proveedor de Cuidado Primario. Haga una cita con un proveedor obstétrico.

Si necesita medicamento

Obtenga una receta de su médico y vaya a una farmacia que esté cerca de donde usted vive. Asegúrese de mostrarles su Tarjeta de Identificación de CenCal Health. Si tiene problemas para obtener su medicamento, llame al Departamento de Servicios para Miembros al 1-877-814-1861 [con el servicio de retransmisión de California al 711], de lunes a viernes, de 8 a.m. a 5 p.m. para obtener ayuda.

Si necesita mirar a un dentista

Los beneficios dentales no se proporcionan a través de CenCal Health. Llame al programa dental de Medi-Cal al número de teléfono libre de cobro, (800) 322-6384 [las personas con problemas auditivos deben llamar a la línea TTY al 1-800-735-2922], o visite www.dental.dhcs.ca.gov, para obtener los nombres y lugares de los dentistas aprobados por Medi-Cal y más cercanos a usted.

Si tiene un problema leve a moderado por drogas, alcohol, comportamiento, o problemas de salud mental o una crisis

Algunas clínicas de PCP ofrecen servicios de salud mental y conductual dentro de la red de la clínica. Hable con su PCP para averiguar si estos servicios están disponibles.

Para obtener servicios de salud mental, llame a uno de los proveedores anotados en la sección de Comportamiento y Salud Mental de este directorio de proveedores. Si está en crisis llame al 911. También puede llamar al Grupo Holman si necesita ayuda obteniendo un proveedor de salud mental adecuado para usted, al número de teléfono, libre de cobro, (800) 321-2843.

Si tiene problemas severos o una crisis de salud mental, o preocupaciones sobre el abuso de alcohol, drogas, y otras sustancias, comuníquese con el Departamento de Salud Conductual del Condado local.

Si necesita mirar a un especialista

Para poder mirar a un especialista, necesita un pase de su Proveedor de Cuidado Primario. Estos son los proveedores de salud con quien usted puede acudir, aparte de su PCP, con un pase de su PCP. Sin embargo, usted no puede elegir a estos proveedores como su PCP. No necesita obtener un pase de su PCP para ciertos

especialistas. Estos incluyen acupuntura, quiroprácticos, planificación familiar y ginecología/obstétricos para exámenes de bienestar de la mujer. Farmacias y hospitales también están anotados aquí.

Si usted está embarazada, usted tendrá que seleccionar un PCP. Su Obstétrico no es un PCP. Un médico o clínica que se especialice en obstetricia y cuidado prenatal únicamente puede tratarla durante su embarazo; para todo otro cuidado médico usted tendrá que acudir a su PCP. Los obstétricos están anotados bajo Proveedores por Especialidad.

Acuérdese de siempre llevar con usted su Tarjeta de Identificación de CenCal Health y presente la tarjeta a su proveedor o farmacia cada vez que reciba servicios de cuidado de salud o medicina.
