### INTRODUCTION

Welcome to the CenCal Health Website [www.cencalhealth.org](http://www.cencalhealth.org) . The Website contains many interactive capabilities such as checking member eligibility, request pre-authorizations, claims billing and report capabilities.

This document contains step-by-step instructions on how to access CenCal Health's interactive portal for Providers, Administrators and Staff. Websites are not static documents they are updated and changed constantly to meet the needs of users, to improve functionality, and to meet nationally recognized standards and regulations in healthcare.

### MEMBER ELIGIBILITY & IDENTIFICATION

CenCal Health does NOT determine eligibility and a member's eligibility with CenCal Health can change. Medi-Cal members receive a permanent plastic identification card called a Benefits Identification Card or "BIC" and a CenCal Health Insurance card.

#### GROUP PLAN IDENTIFICATION KEY

110 Santa Barbara Health Initiative (SBHI) Medi-Cal  
1120 San Luis Obispo Health Initiative (SLOHI) Medi-Cal

These card must be used for identification purposes but does not provide proof of eligibility. These cards are issued only once and reissued only when information on the card has changed.

### FOR PROVIDERS

There are many ways to access our Provider Portal once you select 'Providers' icon.

## POVIDER PORTAL (RESTRICTED)

### New User Account Access

This area is “restricted” to authorized users only. New In-Network contracted providers will receive a username and password after they have contacted CenCal Health. For questions on this portal or account access, contact the Web Master at [webmaster@cencalhealth.org](mailto:webmaster@cencalhealth.org).

Please appoint a ‘Physician/Administrator’ for your office as this staff member will manage all user access to the portal and will be responsible for setting your office staff accounts through this portal.

**CenCal Health encourages all individual user accounts to be secure and not used by multiple users. CenCal Health will not be held responsible for any erroneous use of a provider user account.**

User Account Information Requirements:

- Provider/Organizations Name
- Tax Identification Number
- National Provider Identifier (NPI)
- Physician/Administrator E-mail address (preferred, organizational email address)
- Point of Contact

### Portal Log In

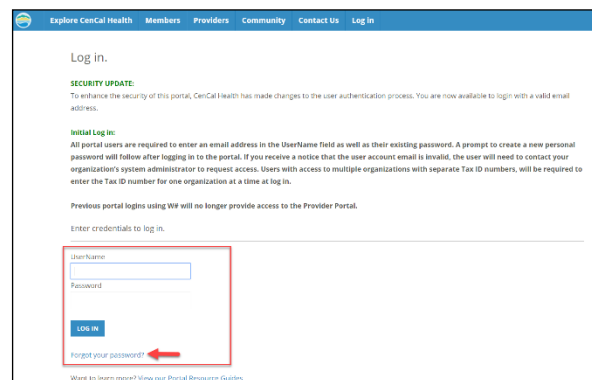

Once you click on the  icon, you will see the following screen:

#### **First Time Login:**

All individual accounts are created by your ‘Physician/Administrator’ User within your practice. After your account is created, the individual User will login with their email address as their Username, and a temporary password will be provided. The system will prompt the user to create their own individual password.

#### **Password Change Policy:**

The system will prompt each User to change their password after 180 days of entry.

### Password Entry Error or Password Assistance:

If you enter your information after (3) three invalid attempts, the system will lock your account. Your 'Physician/Administrator' can also 'Unlock' your account or provide assistance on creating new accounts.

### Forgot your Password?

All Users can reset their password through the 'Forgot your password?' function and the system auto assign a temporary password for access.

### Automatic Deactivation Policy:

CenCal Health will automatically deactivate all User accounts if no activity of the portal is utilized after 90days. It is still the responsibility of the Administrative User to deactivate accounts if staff no longer work for your practice.

### User Screen Role Access:

All interactive features are listed along the left column of the page and are specific to each 'User Role' (i.e. if you submit claims you should see the 'Claims Entry'). Please contact your 'Physician/Administrator' within your organization if you need access to specific roles so you can have them added to your interactive tab.

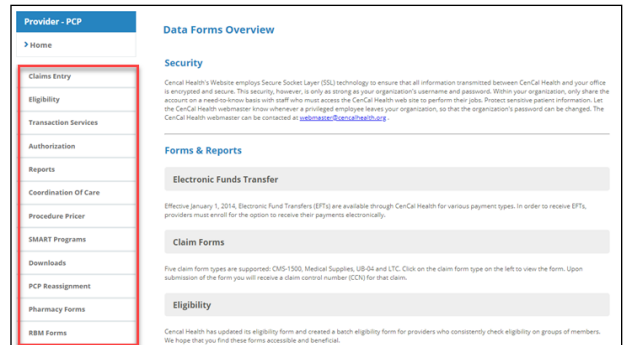

### Multi-User Access:

Users could have 'multi-user' access for more than one group (i.e. third party billers that have access to more than one IRS#). In this instance, the User will be able to toggle to each specific IRS# they are assigned to by clicking the IRS drop down box.

## DATA FORMS OVERVIEW HOME PAGE

The screen above indicates all active forms available on the portal. Please contact your Physician/Administrator should you need access to any of the above screens. The details provided below contain step-by-step instructions on how to access CenCal Health's interactive portal.

### Explanation of Payments

The Explanation of Payment (EOP) is a notice of payment to claim payments. When providers submit a claim, you will receive an EOP that explains the payment and any adjustment(s) made to a payment during the adjudication of claims. Explanation of

Payment (EOP) files allows providers to download their EOP Report. Once you determine the

EOP file, click the  Download icon.

**EOP Files**

Search by File Name

File Name	Upload Date ▲	File Size	Download
eop_...pdf	2/27/2018 11:16:08 AM	73.58K	
eop_...pdf	2/27/2018 11:16:08 AM	6.05K	
eop_...pdf	2/27/2018 11:16:08 AM	14.3K	

The EOP report provides justification for the payment. The explain codes in the EOP help you identify any additional action you may need to take (For example, some explain codes may indicate that you need to resubmit the claim with corrected information).

RECIPIENT NAME				RECIPIENT ID#	CLAIM#	MED. REC#			PATIENT ACCT#		
FROM	THRU	PROC	MOD	QTY/	BILLED	ALLOWED	OTHER	PATIENT	INTEREST	PAYMENT LINE	EXPLAIN CODES
DOS	DRUG#	RX#		DAYS	AMOUNT	AMOUNT	COVERAGE	LIABILITY	AMOUNT	AMOUNT	

The EOP will be available on the provider portal for up to 18 months; therefore the Providers can access a copy of historical payment EOPs as needed.
