

# Community Transition Services/ Nursing Facility (Transition to a Home) Quick Reference Guide

## What is Community Transition Services/ Nursing Facility?

Community Transition Services/Nursing Facility Transition to a Home are services for members who are in a nursing home or medical respite for more than 60 days and want to go home. The Member is able to live safely at home with the right help.

## Community Transition Services provides:

- Find out what kind of home the Member needs and show them options.
- Talk to the landlord if needed and help with moving.
- Arrange rides for non-emergency travel to help the Member move around easily before and on moving day.
- Identify and fund for changes to the home to make it easier for the Member to live independently.

## Who is Eligible?

1. Currently receiving medically necessary nursing facility Level of Care (LOC) services and, in lieu of remaining in the nursing facility or Medical Respite setting, is choosing to transition home and continue to receive medically necessary nursing facility LOC services; **and**
2. Has lived 60+ days in a nursing home and/or Medical Respite setting; **and**
3. Able to reside safely in the community with appropriate and cost-effective supports and services.
