B. Background Information about CenCal CareConnect's Network Providers / Información sobre los antecedentes de las farmacias de la red de CenCal CareConnect

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, drugs, equipment, and other services.
- The term **"providers"** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
    - It also includes LTSS providers that you may use as a CenCal CareConnect member.
    - Providers that are a part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. A **referral** means that your network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **CenCal CareConnect** (not your network PCP) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, CenCal CareConnect may not cover the service, item, or drug.
    - Referrals or prior authorization aren't needed for:
        - emergency care;
        - urgently needed care;
        - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
        - services from a women's health specialist.

- Additionally, if you're an American Indian Member, you may receive services from an Indian Health Care Provider without a referral. We must pay the Indian Health Care Provider for those services even if they're out of our plan's network.
- More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.

- You'll also be assigned a **Care Team.** Your **Care Team** works to support you with your health care needs. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
  - A **Care Coordinator** that helps you manage your medical providers and services. A Care Coordinator helps you manage your medical providers, services, and overall care needs. They work with you to make sure you get the right care, understand your health plan benefits, and stay on track with your care plan.
  - Your **Primary Care Provider** (PCP)
  - Nurse Care Manager
  - Behavioral Health Provider
  - Pharmacist
  - Specialists (e.g. Cardiologist, Endocrinologist)
  - Long-term Services and Supports (LTSS) providers
  - A caregiver or family member can also be part of your care team.

B1. Palabras clave

Esta sección explica las palabras claves en nuestro Directorio.

- Los **proveedores** son profesionales tales como doctores, enfermeras, terapeutas y otras personas que ofrecen atención y servicios. Los servicios incluyen atención médica, servicios y apoyos a largo plazo (LTSS, por sus siglas en inglés), suministros, medicamentos, equipo y otros servicios.
- La palabra "**proveedores**" incluyen centros tales como hospitales, clínicas y otros lugares que ofrecen servicios médicos y equipo médico.
  - También incluye proveedores de LTSS que usted puede usar como miembro de CenCal CareConnect.
  - A los proveedores que son parte de la red de nuestro plan se les conoce como proveedores de la red.
- **Los proveedores** de la red tienen contrato con nosotros para ofrecer servicios a los miembros de nuestro plan. Los proveedores de la red participan en nuestro plan. Eso quiere decir que ellos aceptan a miembros de nuestro plan y ofrecen servicios que cubre nuestro plan. Cuando usted usa un proveedor de la red, normalmente no paga nada por los servicios cubiertos.
- Un **Proveedor de Cuidado Primario (PCP, por sus siglas en inglés)** es un proveedor que le brinda atención médica de rutina. Su PCP mantendrá sus registros médicos y con el tiempo llegará a conocer sus necesidades de salud. Su PCP también le dará pases (referencias) si necesita un especialista u otro proveedor.

- Los **especialistas** son doctores que ofrecen servicios de atención médica para una enfermedad específica o parte del cuerpo. Hay muchos tipos de especialistas. Estos son algunos ejemplos:
  - Atención de un oncólogo para pacientes con cáncer.
  - Atención de un cardiólogo para pacientes con problemas de corazón.
  - Atención de un ortopedista para pacientes con ciertos problemas de huesos, articulaciones o músculos.

- Es posible que necesite un **pase** o **autorización previa** para un especialista o alguien que no sea su PCP. **Un pase** quiere decir que es necesario que su PCP de la red dé su aprobación antes de que usted pueda usar al otro proveedor. **Una autorización previa** es diferente que un pase. Esto quiere decir que es necesario que **CenCal CareConnect** (no su PCP de la red) dé su aprobación **antes** de que cubra un servicio, artículo o medicamento específico o un proveedor fuera de la red. Si usted no obtiene un pase o autorización previa, es posible que CenCal CareConnect no cubra el servicio, artículo o medicamento.
  - No se necesitan pases ni autorización previa para:
    - atención de emergencia;
    - atención que se necesita urgentemente;
    - servicios de diálisis para riñón que reciba en un centro de diálisis certificado por Medicare cuando está fuera del área de servicio del plan; o
    - servicios de un especialista en salud de la mujer.
  - Además, si usted es un miembro Indígena Estadounidense, es posible que pueda recibir servicios de un Proveedor de Atención Médica Indígena sin un pase. Tenemos la obligación de pagarle al Proveedor de Atención Médica Indígena los servicios, aunque estén fuera de la red de nuestro plan.
  - Hay más información sobre pases y autorización previa en el **capítulo 3** del *Manual para Miembros*.

- A usted también se le asignará un **Equipo de Cuidado**. Su **Equipo de Cuidado** trabaja para apoyarle a usted con sus necesidades de atención médica. Todos en su Equipo de Cuidado trabajan juntos para asegurarse que su cuidado esté coordinado. Esto quiere decir que ellos se aseguran de que usted reciba todas las pruebas, análisis de laboratorio y otra atención que necesita, y que los resultados se compartan con los proveedores correctos. También quiere decir que su PCP debe conocer todas las medicinas que usted toma para que puedan reducir cualquier efecto negativo. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores. Los miembros de su Equipo de Cuidado pueden incluir:
  - Un **Coordinador de Cuidado** que le ayuda a manejar sus proveedores y servicios médicos. Un Coordinador de Cuidado le ayuda a manejar sus proveedores, servicios médicos, y necesidades generales de cuidado. Trabajan con usted para asegurar que usted reciba el cuidado correcto, que entienda los beneficios de su plan de salud y siga en curso con su plan de cuidado.
  - Su **Proveedor de Cuidado Primario** (PCP, por sus siglas en inglés)
  - Enfermero Administrador de Cuidado
  - Proveedor de Salud Conductual (del Comportamiento)
  - Farmacéutico

- Especialista (por ejemplo, cardiólogo, endocrinólogo)
- Proveedores de servicios y apoyos a largo plazo (LTSS)
- Un cuidador o pariente también puede ser parte de su Equipo de Cuidado.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

B2. Tiempos de espera para cuidado primario y salud conductual (del comportamiento)

Tenemos la obligación de proporcionarle acceso a servicios de cuidado primario y de salud conductual dentro de los siguientes plazos:

- Si usted quiere ayuda para elegir un PCP, por favor llame a Servicios para Miembros al **1-877-814-1861** (TTY: CA Relay al **711**), 7 días a la semana, 8 a.m. a 8 p.m. hora del Pacífico. La llamada es gratis. O visite www.cencalhealth.org/careconnect.

B4. Long-term Services and Supports (LTSS) providers

As a CenCal CareConnect member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as Home Health Services and Skilled Nursing Facilities. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your Care Coordinator can help you and your Care Team determine what options are available to support you in the way you want.

B4. Proveedores de servicios y apoyos a largo plazo (LTSS)

Como miembro de CenCal CareConnect, usted podrá recibir servicios y apoyos a largo plazo (LTSS, por sus siglas en inglés) si los necesita, tal como Servicios de Salud en el Hogar y Centros de Enfermería Especializada. Los LTSS le ayudan a las personas que necesitan ayuda para hacer tareas diarias como bañarse, vestirse, preparar comida, y tomar medicina. La mayoría de estos servicios se ofrecen en su hogar o en su comunidad, pero se pueden ofrecer en un hogar de enfermería u hospital.

Si usted necesita los LTSS, su Coordinador de Cuidado puede ayudarle a usted y a su Equipo de Cuidado a determinar qué opciones están disponibles para apoyarle de la manera que usted quiera.

B5. How to access CenCal CareConnect's network providers

You may need a referral for someone who isn't a Primary Care Provider (PCP). There's more information about referrals in **Section B1**.

You must get all of your covered services from providers within our network. If you use providers who aren't in CenCal CareConnect's network (**without prior authorization), you'll have to pay the bill**.

> A **prior authorization** is an approval from CenCal CareConnect to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if CenCal CareConnect gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. If you want to change your provider, call CenCal CareConnect at **1-877-814-1861** (TTY: CA Relay at **711**), 7 days a week, 8 a.m. to 8 p.m. PT. We will be happy to assist you and send you a new identification card. The change will be effective the first day of the following month. For some providers, you may need a referral from your PCP.
- CenCal CareConnect works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, CenCal CareConnect can help you. Talk to your care coordinator for assistance.

B5. Cómo acceder a proveedores de la red de CenCal CareConnect

Es posible que usted necesite un pase para alguien que no es un proveedor de cuidado primario (PCP, por sus siglas en inglés). Hay más información sobre pases en la **Sección B1**.

Es necesario que usted obtenga todos sus servicios cubiertos de proveedores dentro de nuestra red. Si usted usa proveedores que no están en la red de CenCal Connect **(sin autorización previa) usted tendrá que pagar la factura**.

> Una **autorización previa** es una aprobación por parte de CenCal CareConnect para buscar servicios fuera de nuestra red o para obtener servicios que normalmente no cubre nuestra red **antes** de obtener servicios.

Las únicas excepciones a esta regla son cuando usted necesita cuidado urgente o de emergencia o diálisis y no puede llegar a un proveedor en el plan, por ejemplo, cuando está fuera de casa. También puede ir fuera del plan para otros servicios que no son de emergencia si CenCal CareConnect le da permiso primero.

- Usted puede cambiar de proveedores dentro de la red en cualquier momento durante el año. Si usted ha estado usando un proveedor de la red, no es necesario que siga usando ese mismo proveedor. Si usted quiere cambiar su proveedor llame a CenCal CareConnect al **1-877-814-1861** (TTY: CA Relay al **711**), 7 días a la semana, 8 a.m. a 8 p.m. hora del Pacífico. Con gusto le ayudaremos y le enviaremos una nueva Tarjeta de Identificación. El cambio tomará efecto el primer día del siguiente mes. Para algunos proveedores, es posible que necesite un pase de su PCP.
- CenCal CareConnect trabaja con todos los proveedores de nuestra red para adaptarse a las necesidades de las personas con discapacidades. Según corresponda, la lista de proveedores en este Directorio incluye información sobre las adaptaciones que ofrecen.
- Si necesita un proveedor y no está seguro(a) que ofrecen las adaptaciones que usted necesita, CenCal CareConnect le puede ayudar. Hable con su Coordinador de Cuidado para que le ayude.

D. Background Information about CenCal CareConnect's Network Pharmacies / Información general sobre las farmacias de la red de CenCal CareConnect

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** CenCal CareConnect and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by CenCal CareConnect, other drugs may be covered by Medi-Cal. This can include some over-the-counter medications and certain vitamins. For drugs covered by Medi-Cal, please visit the Medi-Cal Rx website (medi-calrx.dhcs.ca.gov/) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

Please contact CenCal CareConnect at 1-877-814-1861 (TTY: CA Relay at 711), 7 days a week, 8 a.m. to 8 p.m. PT and we can help you. You may also contact your Care Coordinator for assistance.

CenCal CareConnect members must use network pharmacies to get drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the CenCal CareConnect *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about CenCal CareConnect network pharmacies in your area, please visit our website at www.cencalhealth.org/careconnect or contact Member Services at 1-877-814-1861 (TTY: CA Relay at 711), 7 days a week, 8 a.m. to 8 p.m. PT. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and CenCal CareConnect's *List of Covered Drugs*. You can find the *List of Covered Drugs* by visiting our website at www.cencalhealth.org/careconnect.

Estas farmacias de la red son farmacias que **participan en y aceptan** CenCal CareConnect y han aceptado proporcionarle medicamentos a usted como miembro del plan.

Mientras la mayoría de los medicamentos que usted obtenga de la Farmacia están cubiertos por CenCal CareConnect, es posible que otros medicamentos estén cubiertos por Medi-Cal. Esto puede incluir algunos medicamentos de venta sin receta médica y ciertas vitaminas. Para medicamentos cubiertos por Medi-Cal, por favor visite el sitio web de Medi-Cal Rx (medi-calrx.dhcs.ca.gov/) para más información. También puede llamar al Centro de Servicio al Cliente de Medi-Cal Rx al 800-977-2273. Por favor lleve su Tarjeta de Identificación de Beneficios (BIC, por sus siglas en inglés) de Medi-Cal cuando vaya por recetas cubiertas por Medi-Cal Rx.

Por favor comuníquese con CenCal CareConnect al 1-877-814-1861 (TTY: CA Relay al 711), 7 días a la semana, 8 a.m. a 8 p.m. hora del Pacífico y nosotros le podemos ayudar. También puede comunicarse con su Coordinador de Cuidado para que le ayude.

Es necesario que los miembros de CenCal CareConnect usen farmacias de la red para obtener medicamentos excepto en situaciones de emergencia o cuidado urgente.

- Si usted usa una farmacia fuera de la red para recetas cuando no es una emergencia, usted tendrá que pagar el servicio de su bolsa.
- Lea el *Manual para Miembros* de CenCal CareConnect para más información. .

Es posible que este Directorio no nombre todas las farmacias de la red. Es posible que hayamos añadido o excluido algunas farmacias de la red de nuestro plan después de la publicación de este Directorio.

Para información actualizada sobre las farmacias de la red de CenCal CareConnect en su área, por favor visite nuestro sitio web en cencalhealth.org/careconnect o comuníquese con Servicios para Miembros al 1-877-814-1861 (TTY: CA Relay al 711), 7 días a la semana, 8 a.m. a 8 p.m. hora del Pacífico. D1. Types of pharmacies in CenCal CareConnect's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

You're not required to continue using the same pharmacy to fill your prescriptions.

D1. Tipos de farmacias en la red de CenCal CareConnect

Además de las farmacias de venta al menudeo, las farmacias de la red de su plan incluyen:

- Las farmacias de compra por correo envían medicamentos cubiertos a los miembros por correo o compañías de envío de paquetería.
- Las farmacias de infusión a domicilio preparan medicamentos que se dan en una vena, en un músculo o de otra manera que no sea por boca, por un profesional capacitado en su hogar.
- Las farmacias de cuidado a largo plazo (LTC, por sus siglas en inglés) dan servicio a residentes de centros de cuidado a largo plazo, tales como hogares de enfermería.

Usted no tiene obligación de seguir usando la misma farmacia para surtir sus medicamentos.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 100-day supply of your drugs sent directly to your home. In most cases, a 100-day supply has the same copay as a one-month supply. Specialty tier drugs (Tier 5) are not available for extended supplies.
- 100-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 100-day supply of covered drugs. In most cases, a 100-day supply has the same copay as a one-month supply. Specialty tier drugs (Tier 5) are not available for extended supplies.

D2. Suministro de recetas a largo plazo

- Programas de compra por correo. Nosotros ofrecemos un programa de compra por correo que permite que usted obtenga una cantidad hasta de 100 días de sus medicamentos que se envían directamente a su hogar. En la mayoría de los casos, el copago para los suministros para 100 días es el mismo que el copago para los suministros para un mes. Los medicamentos de nivel especializado (Nivel 5) no están disponibles para compra de suministros por tiempos extendidos.
- Programas de 100 días en farmacias de venta al menudeo. Es posible que algunas farmacias de venta al menudeo también ofrezcan suministros para hasta 100 días de medicamentos cubiertos. En la mayoría de los casos, el copago para los suministros para 100 días es el mismo que el copago para los suministros para un mes. Los medicamentos de nivel especializado (Nivel 5) no están disponibles para compra de suministros por tiempos extendidos.

E2. Mail-order pharmacy / Farmacia de compra por correo

You can get drugs shipped to your home through our network mail-order delivery program, which is called **Birdi**. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. Certain medications, such as controlled substances with a high potential for addiction or abuse are not available through mail-order. Our plan's mail-order service allows you up to a 100-day supply.

You also have the choice to sign up for automated mail-order delivery through our Birdi program.

Typically, you should expect to get your drugs within **10 calendar days** from the time that the mail-order pharmacy gets the order. If you don't get your drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you didn't want or need, please contact us at 1-877-814-1861 (TTY: 711). To learn more about mail-order pharmacies, refer to **Chapter 5** of the *Member Handbook* or visit our website at www.cencalhealth.org/careconnect.

Usted puede recibir medicamentos en su hogar por medio del programa de compra por correo de nuestra red, que se llama **Birdi**. Generalmente, los medicamentos disponibles por compra por correo son medicamentos que usted toma de manera regular para un problema médico crónico o a largo plazo. Ciertos medicamentos, tales como sustancias controladas con alta posibilidad de adicción o abuso no están disponibles por correo. El servicio de compra por correo de nuestro plan le permite una cantidad hasta de 100 días.

Usted también tiene la opción de inscribirse para entrega automática por correo por medio de nuestro programa Birdi.

Normalmente, usted puede esperar recibir sus medicamentos dentro de **10 días calendario** a partir del momento que la farmacia de compra por correo reciba su orden. Si usted no recibe su(s) medicamento(s) dentro de este tiempo, si desea cancelar una orden automática, o si necesita pedir un reembolso de las recetas que recibió, pero no quería o no necesitaba, por favor comuníquese con nosotros al 1-877-814-1861 (TTY: 711). Para aprender más sobre las farmacias de compra por correo, consulte el **capítulo 5** del *Manual para Miembros* o visite nuestro sitio web en www.cencalhealth/careconnect.
