How To Use This Directory

This directory is a list of health care providers who are available to you as a member of CenCal Health. This list is subject to change, and you will be notified if the doctor you choose is no longer available.

All members should select a doctor or clinic that will be their main doctor or Primary Care Provider (PCP). You will find these doctors and clinics are listed in the first section.

Primary Care Providers

- Choose a doctor or clinic in the area you live. This makes it easier for you and your family to receive care when you need it. If you have been receiving care from a doctor, specialist or a hospital, you may have the right to keep your provider for a designated time period if you have certain medical conditions. Please see your Member Handbook for more information.

- If “Open to New Patients” is listed next to the PCP’s name or ID #, this PCP is open and accepting new patients. You will also find the age range that this PCP is accepting. This is also important when choosing a PCP for your children. Some doctors and clinics see all ages, some just children and some just adults.

- If “Established Patients Only” is listed next to the PCP’s name or ID #, this PCP is not accepting new patients. In most cases, you need to have been a patient of this doctor within the last year in order to select them as your PCP. Call a Member Services Representative for approval or for more information at the phone number listed below.

- “Language” - This gives the other languages spoken at that office or clinic. If you speak in a language other than English, look for a doctor or clinic that can speak your language. Interpreter services are also available upon request by calling the number listed below.

- “Logos” 🏛️ 🕰️ 🌐 These are found on top of each provider listing. These logos represent the different health plans currently administered by CenCal Health. If the logo is indicated above a specific provider listing, this provider to the best of our knowledge is accepting members under this particular health plan.

Providers By Specialty - These are providers that you may use in addition to your PCP with a referral from your PCP. However, you cannot choose these providers as your PCP. Some of these providers may also be self-referral providers that include acupuncturists, chiropractors, family planning providers, and gynecologists/obstetricians for well-women exams. Pharmacies and hospitals are also listed here.

If you are pregnant, you will still need to choose a PCP. Your Obstetrician is not a PCP. A doctor or clinic specializing in Obstetrics and Prenatal Care will only treat you during your pregnancy; for all your other medical care you will need to see your PCP. Obstetrics is listed under Providers By Specialty.

If you need assistance, call a Member Services Representative at 1-877-814-1861 or for hearing impaired at CA Relay 711 Monday through Friday 8am to 5pm
Cómo Usar Este Directorio

Este directorio es una lista de Proveedores de Cuidado de Salud que están disponibles para usted como miembro de CenCal Health. Esta lista está sujeta a cambios, y se le notificará si el médico que usted escogió ya no está disponible.

Todo miembro debe seleccionar un médico o clínica médica que será su médico principal o Proveedor de Cuidado Primario (PCP por sus siglas en inglés). Usted encontrará estos médicos y clínicas en la primera sección de este directorio.

Proveedores de Cuidado Primario

- Elija un médico o clínica en el área donde vive. Esto será más fácil para usted y su familia el obtener cuidado médico cuando lo necesite. Si usted ya está recibiendo atención médica por medio de un doctor, especialista, o un hospital, tal vez tenga el derecho de continuar con ese proveedor por un término definido si tiene ciertas condiciones médicas. Por favor refiérase a su manual para miembros para obtener más información.
- Si las palabras “Open to New Patients”, están anotadas a un lado del nombre del PCP o del número de identificación del PCP, esto indica que el PCP está dispuesto a aceptar pacientes nuevos. Además encontrará las edades que este PCP está aceptando. Esto también es muy importante cuando elige un PCP para sus hijos. Algunos médicos o clínicas aceptan miembros de todas edades, pero otros solamente aceptan niños y otros solamente adultos.
- Si las palabras “Established Patients Only”, están anotadas a un lado del nombre del PCP o del número de ID del PCP, esto indica que el PCP no está aceptando pacientes nuevos. En la mayoría de los casos, para poder seleccionar estos proveedores como su PCP, usted debe haber estado anteriormente establecido dentro del año pasado con ellos. Para más información o para recibir aprobación llame a su Representante de Servicios para Miembros al número mencionado abajo.
- “Lenguaje”- Esto indica los otros idiomas que se hablan en la oficina o clínica. Si su idioma principal no es inglés, busque un médico o clínica que hable su idioma. Servicios de intérprete son disponibles por petición llamando al número mencionado abajo.
- “Insignias” Estas insignias se encuentran arriba de cada uno de los proveedores en esta lista. Estas insignias representan cada uno de los planes de salud administrados por CenCal Health. Si el proveedor que usted desea tiene la insignia del plan de salud que usted tiene, esto quiere decir que este proveedor está aceptando pacientes bajo este plan de seguro médico; según la información que ellos nos han proporcionado.

Proveedores por Especialidad- Estos son los proveedores de salud que usted puede acudir en adición de su PCP con un pase de su PCP. Sin embargo, usted no puede elegir estos proveedores como su PCP. Algunos de estos proveedores de salud son Proveedores Aliados los cuales usted puede acudir sin necesidad de obtener un pase de su PCP. Estos Proveedores Aliados incluyen acupuntura, quiroprácticos, planificación familiar y ginecología/obstétricos para exámenes de bienestar de mujer. Farmacias y hospitales también están anotados aquí.

Si usted esta embarazada, usted tendrá que seleccionar un PCP. Su Obstétrico no es un PCP. Un médico o clínica que se especialicé en obstetricia y cuidado prenatal únicamente puede tratarla durante su embarazo, para todo otro cuidado médico usted tendrá que acudir a su PCP. Obstétricos están anotados bajo Proveedores por Especialidad.

Si usted necesita ayuda, llame a un Representante de Servicios para Miembros al número libre de cobro 1-877-814-1861 o personas con problemas auditivos al número 711 de lunes a viernes de 8am a 5pm.

Cuando usted o su niño esté enfermo
- Llame a su Proveedor de Cuido Primario (página 13 - 58). Si la oficina de su doctor está cerrada habrá servicio telefónico las 24 horas y un doctor le regresará su llamada.
- Vaya a un centro urgente (página 210-211), a la sala de emergencia de un hospital (página 110 - 111) solamente si usted creé que tiene una emergencia real, o si su doctor le dice que use un centro urgente o la sala de emergencia.

Si usted está embarazada
- Llame lo más pronto posible para hacer una cita con su proveedor obstétrico (página 135- 140). Es importante que vea al doctor lo más pronto posible al comenzar su embarazo.
- Si usted tiene Iniciativa de Salud (Medi-Cal), también podrá obtener servicios adicionales bajo el programa Comprensivo de Servicios Perinatales (página 73 - 75) y recibirá asesoramiento y educación sobre la nutrición.

Si necesita una prueba de embarazo, métodos anticonceptivos, o asesoramiento
- Llame a un proveedor anotado bajo Planificación Familiar y Asesoramiento (página 93-94).
- Llame a su Proveedor de Cuido Primario.
- Haga una cita con un proveedor obstétrico (página 135 - 140).

Si necesita medicamento
- Obtenga una receta de su doctor y vaya a la farmacia (página 176 - 187) más cercana.
- Asegurase de enseñar su tarjeta de identificación del plan y cualquier otra tarjeta de seguro médico que usted pueda tener. Si tiene problemas obteniendo su medicamento, por favor comuníquese con un Representante de Servicios para Miembros al número, libre de cobro, 1-877-814-1861.

Si necesita mirar a un dentista
- Las ventajas dentales se excluyen de todos los programas de salud de CenCal Health. Para la información, llame por favor (800) 322 – 6384.

Si tiene un problema con drogas, alcohol, o problemas de salud mental o una crisis
- Llame a uno de los números de teléfono bajo Servicios de Salud Mental (página 122).

Si necesita mirar a un especialista
- Para poder mirar a un especialista, necesita un pase de su Proveedor de Cuido Primario. No necesitará un pase para los siguientes servicios: embarazo, planificación familiar, o servicios sensitivos; tampoco necesitará un pase para algunos servicios ginecólogos. Por favor comuníquese con un Representante de Servicios para Miembros para obtener más información tocante los pases.

Acuérdesse de siempre llevar con usted su tarjeta de identificación del plan de salud y cualquier otra tarjeta de seguro médico que usted pueda tener; preséntelas a su proveedor o farmacia cada vez que reciba servicios de cuidado de salud o medicina.
