POLICY:
Emergency health care services shall be available and accessible twenty-four hours a day, seven days a week.

PROCEDURE:
I. EMERGENCY MEDICAL EQUIPMENT

   A. Minimum emergency medical supplies/equipment, sufficient to establish and maintain a patent/open airway and manage anaphylactic reactions, shall be maintained in the facility. The equipment will include:

      1. An oxygen tank which is secured.
      2. An oxygen delivery system which includes tubing and mask/cannula.
      3. Population-appropriate (infants/children/adults) ambu bag(s) and oral airway(s).
      4. Epinephrine 1:1000 (injectable), Benadryl 25 mg oral, or Benadryl 50 mg./ml (injectable).
      5. Tuberculin syringes, alcohol wipes.
      6. Emergency medication dosage chart (see attached).

   B. The supplies/equipment will be located "together" in an accessible location allowing for retrieval by all staff members without the use of assistive devices.

   C. The supplies and equipment will be checked for expiration and operating status at least monthly. Staff responsible for checking the equipment/supplies will document:

      1. the date the supplies/equipment was checked, and
      2. his/her initials verifying that equipment is in working order, the oxygen tank is full, the supplies are within expiration date and the medication dosage chart is present.
D. Replacing/restocking supplies:
   1. An extra oxygen tank will be maintained onsite -OR- each time the oxygen is used, the remaining supply will be checked. If the tank is 3/4 or less full, the supplier will be called to replace the used tank with a full tank.
   2. The month prior to the noted expiration date, the supplies/medication will be ordered to ensure delivery before the supplies actually expire.
   3. The medication and supplies will be ordered/replaced immediately after use.

II. EMERGENCY SERVICES TRAINING

   A. All staff members will be trained on the emergency medical protocol. Staff will be able to:
      1. describe facility-specific actions, and
      2. locate written emergency procedures and information.

   B. Training will be completed upon hire and annually thereafter.

   C. Training will be documented.

III. EMERGENCY INFORMATION

   A. Emergency phone number contacts will be posted at the reception desk and at the work station.
