POLICY:
The site has twenty-four hour access to Interpreter services for non/limited English proficient (LEP) members.

PROCEDURE:

A. Staff will ensure that Interpreter services are made available in identified threshold languages specified for location of site.

B. The PCP will ensure that all personnel providing language interpreter services on site are trained in medical interpretation.

C. The provider/designee will assess interpreter skills and capabilities as follows:
   1. Assessment of interpreter skills may include written or oral assessment of bilingual skills
   2. Documentation of the number of years of employment as an interpreter or translator
   3. Documentation of successful completion of a specific type of interpreter training programs, i.e. medical, legal, court or semi-technical.
   4. Other reasonable alternative documentation of interpreter capability

D. Staff will document in the medical record any request for, or refusal of language/interpreter services.

E. The PCP will ensure that 24-hour interpreter services are available for all members either through telephone language services or interpreters on site.

The State of California has enacted guidelines to ensure that patients receive health care services in their preferred languages. For each member of your staff and for each language other than English spoken by that staff member, please complete the survey below. Please use the evaluation guidelines on this form to determine your level of fluency for each language in speaking, reading, and writing.

If English is the only language spoken by you and your staff, please check this box. □ English Only
